PRICE LIST 1946

GLADHAVEN GARDENS

George G. Fowler, Prop.

North Main Street

Franklin, N. H.

GREETINGS:

To our many customers and friends we wish you one and all a Happy New Year. Wish we could meet you face to face and give you a hearty handshake. We want to thank you for your kind patronage in the past few years and also for the friendly letters of congratulation on our 50th Anniversary. It is now our 51st.

We like to sell glad bulbs as that is the way we make our living, but more important to us is a pleased and satisfied customer.

Glad bulbs are not too plenty yet, so we can only quote on lots up to 10 bulbs except on the Assortment. As our supply is limited would urge that you order early and have the bulbs shipped when you will want them. A 25% deposit will hold bulbs until May 1st.

Without instructions will ship at proper planting time for your locality. Cannot ship to Canada.

With appreciation,
Mr. and Mrs. George G. Fowler.

CONDITIONS OF SALE

All prices are subject to the following conditions and change without notice.

(a) Any Federal or State tax that may be imposed on sales. (b) Stock on hand when order is received. (c) No bulbs shipped C. O. D. without a deposit of 25% of the order. (d) No minimum lot split and no single item less than 10c. (e) Every order for not less than \$1 will be shipped prepaid to any of the 48 states in U. S. On orders less than \$1 add 10c for postage and packing.

GUARANTEE

I guarantee that the gladiolus bought from me will be true to name and properly cured for planting spring of 1946. Cannot guarantee crop or anything depending on cultivation or weather.

READ CAREFULLY

The first column of figures states the number of bulbs, the second column the price for that number of large bulbs, the third column of figures gives the price for medium size bulbs thus:

DEBONAIR	3 large bulbs	.25	3 medium size	.15
	10 large bulbs	.70	10 medium size	.40
	25 large bulbs	1.50	25 medium size	1.00

Don't read from the top down. 5 bulbs for one-half the 10 price but no item less than 10 cents.

SIZE OF BULBS

Large bulbs are 1¼ inches in diameter and up to 2 inches. Medium bulbs are from ¾ to 1¼ inches in diameter averaging 1 inch. Jumbo bulbs are very large 2 inches or more in diameter. All should give good flowers this year.

FULL CULTURAL INSTRUCTIONS WITH EVERY ORDER

ORDER EARLY, and state when you will want bulbs. It is safe to ship Express orders at any time. Mail orders are safer shipped after March 1st. A 25% deposit will reserve your order until May 1st. No orders reserved or shipped without a deposit.

Have your name and address on the outside of every letter you write. It may save a lot of bother later. WRITE PLAINLY, and be sure to give your correct address. I am a poor guesser.

I do not substitute one variety for another unless requested. If I am out of the size ordered I fill the order with bulbs of the next nearest size, giving as much or greater value. EARLY ORDER WILL AVOID SUBSTITUTION. YES, I generally give EXTRAS.

NO WHOLESALE PRICES THIS SEASON. Please do not write for special prices, we just do not have any extra bulbs or bargain lots of any kind.

If you order before April 1st, 1946, will include one extra choice variety worth 25c Free. Please do not ask us to ship Iris roots before June 1st as June is the best time to set them over. Gladiolus Bulblets

A grand mixture of most of the best varieties I grow. These bulblets have been screened over a 3/16 inch wire screen removing most of the very small ones, leaving good size clean bulblets. Cannot guarantee the germination of gladiolus bulblets, you take your chances as I do when I plant them to increase my stock of bulbs.

Should be planted very early in the spring and not allowed to become dry before starting growth. Some will make a very small bloom the first year, most of them should produce bulbs that will bloom second year. My very low price is 100 for 20c, 300 for 50c postpaid.

Some dealers are getting \$1.49 for 100 of these bulblets, listing them as "bulbs".

SPECIAL NOTICE

Unpack your bulbs at once as soon as received and store in a cool dry place until ready to plant. DO NOT LET YOUR BULBS FREEZE AT ANY TIME.

BY READING this list carefully you can save a lot of unnecessary correspondence.
